

PART ONE

THE ARK REVEALED.

Shalom my brothers and sisters,

I want to share with you a profound vision—one that flows from the very Heart of Elohim. Recently, I had a meaningful conversation with Ron Arnow, a Levite Priest from the lineage of Aaron. A wonderful man of Eloah. He has traveled the nations, establishing prayer centers in alignment with the vision entrusted to Dr. Lester Sumerall and Dr. Rabbi Daniel Jeshurun Vargas—both mighty men of Elohim. Now, I feel led to bring you into what the Ruach haKodesh is doing as we stand on the threshold of the Millennial Reign of the Mashiach—*The Shabbat Gadol*. As part of this journey, I asked Kohen Ron to inquire whether the Ark of the Covenant is truly in Ethiopia, knowing he has ministered across Africa in setting up houses of prayer. What followed was a deeply significant conversation. This moment marks the first time I am publicly sharing this end-time vision. For more than ten years, I have carried it in silence, understanding the sacred timing of YHWH and the depths of His heart. The path has not been easy—I have walked through a season of intense preparation, refinement, and spiritual training to be ready for this calling. And now, I am. I come not in my own strength but as a humble servant of Elohim, desiring only to obey His voice. It is in obedience to Him that I share this with you now and will later come to your nations. This conversation occurred on the 21st of April 2025.

THE ARK RELIVED

Kohen Ron

I am a Levite descended from the tribe of Aaron—Ron Aronovici.
I was the priest God chose to open the Book of Daniel.
The Prayer Towers opened the Book of Daniel worldwide.

Kohen Theodore

I asked Ron to find out whether the Ark of the Covenant—or at least a copy of it—was still in Ethiopia. What follows is our unedited conversation.

PART TWO

Kohen Ron

Ark of the Covenant in Ethiopia location

Yes, I know. It's located in northern Ethiopia, in the Tigray region. The town is called Axum.

One of my contacts in Ethiopia said this;

In response to your question, there are many congregations of Josh communities in Ethiopia. We are serving in spiritual reformation. He gave them membership, and we serve together with those who serve together. At present, the Congress of the Covenant International Messianic Congress, led by me as the leader of a spiritual institution, we have eleven communicants, and there are about 6000 members. There are many Josh communities in Ethiopia; we have established a messianic union, a total of five communications together and together, we are doing very good activities and good spiritual service in Ethiopia at this time. God bless you with spiritual greetings. Pastor Wegene Gebre.

My response to Kohen Ron (the vision)

Shalom Ron, Thank you for this information and confirmation of the Ark in Ethiopia. Isaiah 16:5 indicates that the Messiah will sit in the Sukkah of Dawid at the end of the days. The passage clearly states it is the Tabernacle and not the Temple. This does not mean that the Temple will not be rebuilt; it will but in the right place. Ahmos 9:11 and Acts 15:16-17 clearly tell us that the Sukkah will be restored at this time. My question to every believer is, why are we not moving in this direction? To me, these prophecies do not speak about a spiritual fulfillment but a physical accomplishment. We are Kohen, and it is our duty to rebuild the Tabernacle! So, when you asked me about my vision of the Tabernacle, I could not say I had a vision because it is not my vision but His vision to restore His presence among His people. I am burdened with the task.

In short, I want to find the Ark of the Covenant and restore all the elements in the Tabernacle and move it from nation to nation. I believe this will trigger a world revival and the regathering of the tribes of the likes we have never seen before. It will result in a tremendous manifestation of His power and anointing. Kohanim around the Ark will raise the dead and perform miracles of astounding proportions, and we will see signs and wonders. Why? Because "The Power Base" is among the Kohanim. Humanity will not know what hit them. Why do you think Joshua carried the Ark from place to place? It was to reveal the Majesty, Greatness, Authority, and Power of Elohim to every nation and people. They witnessed it and were afraid of Yisra'el. We have lost sight of this grand mission. I intend to take the Ark to every country and literally walk through their cities with it!

Kohen Ron

Amen

As you know, when it's Yahweh, it manifests.

I'm sharing with him your vision.

Kohen Theodore

The only hurdle why it has not manifested now is because YHWH withholds the funding from me. We can't do it without the funds. He has promised me the money and sent the people along my side who have made commitments to fund the vision, and I am still waiting. I guess it all has to do with timing!

PART THREE

Kohen Ron

Yes.

How much would it take?

Did you run the numbers?

Kohen Theodore

Rest assured achi, I know what to do and how to restore it.

I am looking at a budget of 110 million USD to start it rolling (to accomplish the mission's first stage to take the Ark throughout the continent of Africa and from there into all nations).

Part of the money will be used to fund the center to build all the materials for the Ark and prepare the Kohanim. The Ark will be the icing on the cake.

Kohen Ron

Ok

Kohen Ron

That is Pastor Anthony

Founder of the TV Network we are going to be in.

Kohen Theodore

Yes, this is what we need in your pictures!

Pastor Anthony appears to understand what I am talking about!

Kohen Ron

What if you are going to be able and walk with this Ark?

PART FOUR

Kohen Theodore

I will do nothing but that, which the Ruach haKodesh instructs me to do, just like Joshua obeyed the voice and walked around Jerico seven times. We must be led by Him.

Every day will be like this!

We will go where He tells us to go and do what he tells us to do!

Trust me, the Shekinah will be so powerful that people will fall everywhere as we carry the Ark.

There will be behind us a procession of thousands, if not millions of people who will follow the Ark.

The Ark will be the central item of the News Media every day. They will witness His awesome Power for the first time.

The World will know there is an Elohim in Yisra'el, and He is the Eloah of the Whole Earth.

We need to buy trucks and buses to carry everything and the food to feed us and some of the people.

We will depend upon donations from His people.

Kohen Theodore

My end goal is to take the Ark back to Yerushalem, where it will stand forever.

But first, it will travel throughout the globe for at least seven years. Can you imagine what will happen when the Shekinah travels to the USA? The home of Manasseh and Ephraim. Revival like you have never seen before! I want to start in Africa, maybe Ethiopia. From there, travel throughout Africa before going to the Middle East then India, China, Korea, Japan, Europe etc. When we cross the oceans, we will have our own boat and a ship convoy to accompany the Ark. Who knows, it could be a Cruise Ship. 😊

Agree!

Ron replied to you.

Amen!!

Let's pray.

Kohen Theodore

Been doing it since the day I received the vision (more than 10 years ago). Thank you, Achi.

Achi, I need your permission to share this around the globe, and I hope you will do so, too.

Kohen Ron

Share.

Barukh ha Shem YHWH.

Kohen Theodore Meredith

Ps. The time for this vision is now. I invite each of you to be a part of it. Please share this document.
